

Carol Leadbetter BA RGN SCM  
Operations Manager

Carol has been involved with CALM since 1995, initially on a part time basis and full time since 2001.

Having graduated from Stirling University with a BA in Sociology and Psychology in 1975, she initially commenced working in social work before qualifying as a registered nurse in Aberdeen. She has worked for many years in both hospital and community in a variety of Health and Social Care settings including residential childcare, general practice and older people's services.
